Re:	PHOTOGRAPH DISPLAY AUTHORITY
Date:	27 May 2005

On previous camps we have taken photographs of students participating in the outdoor program and these photos have been posted on the Outdoor Adventure Camps' Gallery page of our website at: [www.outdooradventurecamps.com.au](http://www.outdooradventurecamps.com.au)

Please note that we make no reference to either the student's name or the name of the school. Students get a thrill from seeing photos of themselves and friends involved in a range of camp activities. Please complete the following authority if you wish to have your school's snapshots on our Gallery page. Alternatively, we would be happy to forward digital photographs for inclusion on your school's own website.
